

InfoComm 2009 UPDATE:

Broadcast Pix and First Option Capital Team Up with Financing Program

New Promotion:

- **\$99.00 down and \$99.00 a month for 90 days!!!**
- **Plus a free option – Keys 4,5,6 or 2nd clip store channel**

Through the partnership with First Option Capital, Broadcast Pix customers NOW have access to several financing products and payment plans tailored for businesses of every type and size. In a tough economy, more organizations, including municipalities, production companies, broadcasters, houses of worship, and post production facilities require a financing option to even consider upgrading equipment.

Promotion: The \$99.00 down and \$99.00 a month for 90 days Finance Plan may be the perfect solution. For only \$99.00 down and a documentation fee, Broadcast Pix Customers can finance any Broadcast Pix solution of \$10,000 or more and start using it right away. As an added bonus, the first 3 monthly payments will be only \$99.00 each.* And as still another incentive, customers can choose one of two options at no cost, #301 Key 4,5,6 a \$1000 value, or #126 second channel of clip store a \$800 value.

For questions, contact a First Option Capital Financing Representative at 800-603-3945 ext. 229., your local dealer or Broadcast Pix RSM.

* Financing subject to qualifying credit. Advance payment of \$99.00 required along with a documentation fee at signing. Documentation fees range from \$200-\$300. Payments are \$99.00 + applicable taxes for the first three months, after which normal & pre determined payments will resume. Available to U.S. based Dealers and Customers only, \$10K financing minimum. \$99.00 promotional offer ends on December 15th 2009.
